FARMLAND FOR SALE! looking to add more acres to your farm? Here is a great opportunity as this land has already been cut and piled, plowing has been completed, and is ready for someone to get it into arable acres. Property has also been partial fenced, lots of potential here with more parcels for sale located next to the property, owners are taking offers until May 31, 2025, and offers will be reviewed by June 4, 2025. Come take a look today!
